“Together We Achieve”

NSPCC Number Day

Dear Parents/ Carers,

We are delighted to be supporting the NSPCC by taking part in Number Day on **Friday 3 February 2023**.

Everything the NSPCC does protects children today and prevents about tomorrow

The NSPCC need our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that’s always there for children and young people whatever their problem or concern.

On average, a child contacts Childline every **25 seconds**

Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive, ‘can-do’ attitude towards it.

- The whole day will be dedicated to a range of fun maths activities with a focus on number. These may include children participating in exciting maths puzzles and maths games in their classes.
- We will also be taking part in *Dress up for Digits*. Pupils are asked to wear an item of clothing with a number on it (football shirt, cap, netball shirt or even a onesie!). Or get even more creative by dressing in a maths or numbers theme. To help raise money for the NSPCC, we are asking for a £1 cash donation, and we’d love everyone in the school to take part in this special event.

“Together We Achieve”

It all adds up

We're really looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise at Swanwick Primary School will make an enormous difference to children today and help the NSPCC be there for children tomorrow.

Thank you for your continued support,

Mrs C Staley
Mathematics Lead
