

NSPCC

Number
Day 2023

Friday 3rd February

N₁ U₁ M₈ B₈ E₁ R₁

D₂ A₁ Y₄

Swanwick Primary School took part in the NSPCC Number Day. We raised money for the NSPCC to help them fund their vital services such as Childline.

The whole day was dedicated to a range of fun maths activities with a focus on number. This included children participating in an exciting maths hunt, solving maths puzzles/ investigations and they also enjoyed maths games in their classes.

DRESS UP FOR DIGITS

FOR

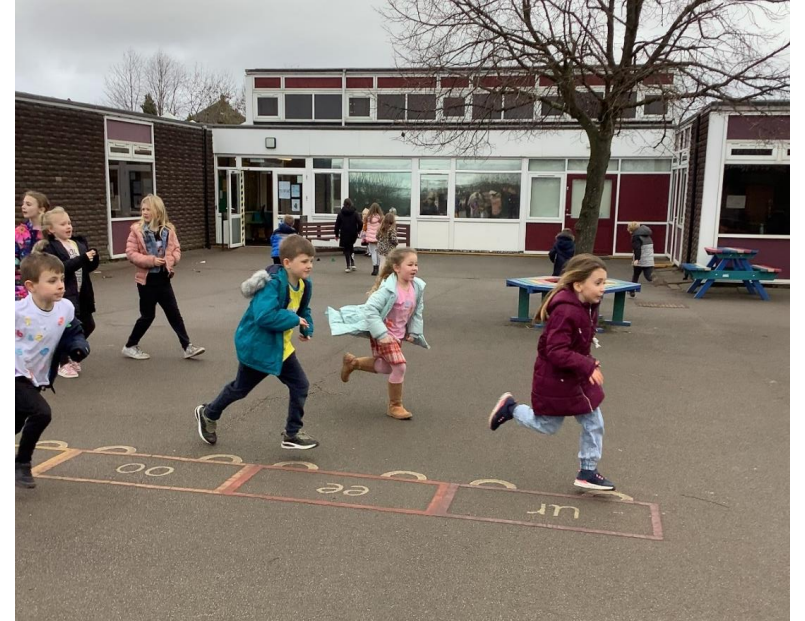

We dressed up
for digits by
wearing an
item of
clothing with a
number on it!

MATHS

HUNT

As part of our morning, we participated in a maths hunt. We worked in mixed year groups to solve a variety of puzzles to crack the code to the missing word.

We showed great teamwork whilst having fun with maths!

NUMBER ACTIVITIES

In addition to the maths hunt, children enjoyed number activities in their classroom.
