"Together We Achieve"

NSPCC Rocks

Dear Parents/ Carers,

We are delighted to be supporting the NSPCC by taking part in Number Day on **Friday 2nd February 2024**. Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it. This year, we are also raising the profile of times tables by collaborating with Times Tables Rock Stars.

The NSPCC need our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that's always there for children and young people whatever their problem or concern.

On average, a child contacts Childline every **45 seconds**

Donation

- To help raise money for the NSPCC, we are asking for a small cash donation or a donation via Parent Pay. No matter the amount, your contributions will make a huge difference and are deeply appreciated.

Non Uniform

- We are inviting children to come dressed as a rock star for the day or to wear an item of clothing with a number on it (football shirt, cap, netball shirt, t-shirt, jumper or even a onesie!). Please don't feel the need to buy something new! We ask that children **do not** wear face paint and that Year 5 children are considerate of their outfit choice, as they have swimming in the afternoon. Thank you for understanding.

Maths Activities

- All year groups will engage in exciting number activities throughout the day and KS2 will partake in the TTRS competition that will boost maths confidence alongside accuracy and recall speed.

“Together We Achieve”

In School Competition

- We will be holding a competition to guess the amount of jelly beans in a jar. The child who guesses the correct number, or closest to the number, will win a special rock star hamper. The entry fee for this competition will be 50p and all money raised will go to the NSPCC. The jar will make its way round classes week commencing 29th January and the lucky winner will receive their hamper on Friday 2nd February (Number Day).

It all adds up

We're really looking forward to all the fun of Number Day; last year was a huge success. All the money we raise at Swanwick Primary School will make an enormous difference to children today and help the NSPCC be there for children tomorrow.

Thank you for your continued support,

Mrs C Staley
Mathematics Lead
