

Derbyshire County Council would like your help in writing a new Autism Strategy for Children and Young People so that we can improve outcomes and experiences for children, young people, and families who are living with autism in Derbyshire. Hearing your views and having your input is essential to understand how Derbyshire's Autism Strategy will work effectively and represent all voices so that we can improve outcomes, practice, culture, and service delivery.

If you're interested in collaborating there will be four main elements discussed in one 60-minute Teams focus group chosen from

- Friday 29/4/22 @ 12:15
- Wednesday 4/5/22 @ 13:00
- Friday 6/5/22 @ 09:30

The date of the focus group based on the most attendees that can attend will be notified by email along with a Teams link to the meeting for Parents/Carers.

Register your interest via this [booking form](#) before 15/4/2022

There are four main areas that we would like to discuss:

Goals		Opportunities	
<ul style="list-style-type: none"> • What do you feel is important to young people in achieving despite being autistic? 		<ul style="list-style-type: none"> • What support do you feel young people need to make a successful transition to adult life when they are experiencing difficulty in this area? 	
Working		Not working	
<ul style="list-style-type: none"> • In Derbyshire, what do you feel is working well now in the support available for those with autism? 		<ul style="list-style-type: none"> • In Derbyshire, what do you think is not working well and needs to be improved to meet needs and prepare young people with autism for adulthood?
