

“Together We Achieve”

Skipping Workshops

10.06.22

Dear Parents / Carers,

As part of our commitment to promote Healthy Active Lifestyles you may be aware that we have re-introduced a skipping and activity trolley to encourage the children to be more active during break times. This has been a huge success and in order to inspire the children further we have booked **Dan The Skipping Man** to visit our school next Thursday 16th June and Friday 17th June. Over the two days each class in school will take part in a skipping workshop and watch an exciting skipping demonstration. **Please ensure your child comes to school in their PE kit and suitable footwear on the day.**

At the end of each day there will be a pop up shop on the playground where you will have the opportunity to purchase a rope from Dan at a cost of £5 or £6 each. There is no obligation for the children to purchase a rope as we will continue to provide skipping ropes for use at break times. The shop will be open until 3:45pm on both days.

Classes will have their skipping sessions on the following days:

Thursday 16 th June	Friday 17 th June
Y6 Chestnut	Y2 Pine
Y6 Oak	Y2 Birch
Y5 Sycamore	Y3 Cedar
Y5 Rowan	EYFS Conkers
Y4 Hazel	EYFS Acorns
Y4 Willow	Y1 Ash
Y3 Maple	Y1 Elm

Yours sincerely

Mrs Turner and Miss Mallard
