

Information sent to Y6 parents from Swanwick Hall

Dear Parent or Carer,

We are delighted your child will soon be joining us. We are, of course, disappointed that we will not be able to welcome Year 6 this term on our usual transition days but we have put together some guidance to support you from home. You will soon receive a welcome pack in the post which contains detailed information about school life. We have also created a series of videos to watch together at your convenience which are designed to answer common questions parents and children may have. I hope you find them useful.
